## **Apply now: Scholarships for international exchange students at the European Business School (EBS), Germany**

EBS Alumni is the alumni association of the European Business School (EBS). In line with our strenuous efforts to improve the learning outcomes of international students at EBS, we are pleased to announce two scholarships that will make studying on our campus both more affordable and rewarding.

The **“eXebs Friedrich J. Schoening International Scholarship supported by DAAD”** and the **“eXebs Greenhill Friedrich J. Schoening International Scholarship supported by DAAD – where unique talent meets unique banking”** are for people from developing countries and countries in transition with demonstrated ability in management skill, visionary thinking and social conscience as well as financial need. The two scholarships carry a monthly stipend of EUR 250 for one semester at EBS (re-application for 2<sup>nd</sup> semester is possible) and a one-time welcome allowance of up to EUR 250. On top of that all scholarship beneficiaries will be named “eXebs Fellows” and are invited to exclusive networking and recruiting events.

Applications for the Fall term (starting August 2010) should be submitted online as soon as possible and no later than May 15, 2010 at ([www.ebs.edu/fjs-application.htm](http://www.ebs.edu/fjs-application.htm) ). You may apply before you are officially nominated for exchange by your International Office, but an application for an EBS Alumni scholarship is not the same as applying for exchange to EBS. Please make sure that you have taken all the necessary measures for the exchange nomination at your International Office. Any questions should be addressed to [scholarship@ebs-alumni.org](mailto:scholarship@ebs-alumni.org). We look forward to receiving your application.

Kind regards,

Renata Borbely  
EBS Alumni International Scholarship Application Manager
